Canada(Calgary, AB)/Remote

### SUMMARY

Software Developer with almost two years of experience in Frontend work is looking for new challenges and professional opportunities. Have experience working with **HTML5, CSS3, Sass (SCSS), JavaScript, Typescript, React, Bulma, and Tailwind frameworks**. Eager to improve my developer skills and learn new frameworks (**Vue/Angular/React Native, etc.**). My productivity level is high even while working under tight deadlines. My customer support background enhances my problem-solving and communication skills. Extremely responsible and always strive to exceed the client's or company's requirements and expectations.

### SKILLS

- JavaScript (ES6), Typescript, React
- Fetch, REST API
- HTML5, CSS3, Sass (SCSS), BEM
- Bootstrap, Bulma
- UX/UI, Figma, Illustrator
- Git/Github, VS Code, Chrome Dev Tools, NPM
- SQL basic knowledge (MySQL)
- Trello, Jira
- WordPress
- SEO optimization skills to increase website visibility

### EXPERIENCE

## ADDITIONAL EXPERIENCE

### Guest Service Administrator

2023

Massage Addict, Canada, Calgary

- Managed appointment scheduling, handled check-ins, check-outs, and streamlined the reception process.
- Processed client payments and invoices.
- Promoted the products.
- Maintained organized client records, clinic filing systems, and assisted with administrative tasks as needed.
- Provided information about massage services and therapist qualifications to clients.
- Collaborated with massage therapists to optimize appointment scheduling and ensure client preferences were met.

### HR Coordinator

2017 - 2019

“Work and Live in China” Teacher Recruitment Agency, Beijing, China

- Prepared 10+ teachers per month from overseas for interviews with potential employers.
- Organized interviews between employers and teachers: set up the time, and organized video conferences on such platforms as Zoom, Tencent, and Skype.
- Assisted with visa questions, flights, and train tickets.
- Trained new teachers before starting work: step-by-step instructions from the time students enter the classroom until the end, and developing curriculum for students.

### Customer Support Supervisor

2013 - 2015

“PrivatBank”, Head Office, Dnipro, Ukraine

- Supervise 15+ operators by training and mentoring new hires.
- Led regular staff and individual meetings and provided formal training to inform team members of new bank services and products.
- Provided ongoing feedback about performance indicators and discussed solutions for improving work performance.

### Customer Service Representative

2012 - 2013

“PrivatBank”, Head Office, Dnipro, Ukraine

- Communicated with 170+ customers per day, giving detailed, personalized service.
- Assisted with a myriad of banking solutions: conducted transactions, bought tickets, booked hotels, and opened deposits.
